

Proposal of the Simple Metadata Schema for Database Inventory

Element Names	Appearance <i>If there are multiple values, they are separated by a newline character</i>	Meaning	Memo	Example
<u>Identifier</u>	Required [1]	Database identification.	Same as Database_Access_URI ?	http://app.cias.kyoto-u.ac.jp/infolib/meta_pub/G0000003THAI
<u>Language</u>	Required [1]	Main language of metadata description of the database	ISO 639-3	jpn
<u>Title</u>	Required [1]	Database Title.	Database title on the Web. Format is not specified.	災害と社会 情報マッピング・システム
<u>Title_EN</u>	Required [1]	Database title in English.	English name. Format is not specified.	Discourse on Natural Disaster Information and Social Conditions
<u>Title_Other</u>	Optional [0, 1]	Database title in other language.	For example, a Japanese institute built database whose resource is Thai, its original name may be Japanese. In this case, Title_Other might be Thai. Format is not specified.	Wacana Informasi Bencana Alam dan Keadaan Sosial
<u>Creator</u>	Optional [0 ...]	Person(s)/Institute(s) that is (are) responsible for creating the database.	Name(s) may be described in the description of the database on the Web. Format is not specified.	カニタ ヌンタブット
<u>Creator_EN</u>	Optional [0 ...]	Person(s)/Institute(s) that is (are) responsible for creating the database in English.	Format is not specified.	Khanitta Nuntaboot
<u>Creator_Other</u>	Optional [0 ...]	Person(s)/Institute(s) that is (are) responsible for creating the database in other language.	See Title_Other. Format is not specified.	ขนิษฐา นันทบุต
<u>Publisher</u>	Required [1]	Name(s) of institution(s) that operate(s) the database system.	A publisher may be described in the description of the database on the Web. Format is not specified.	京都大学東南アジア地域研究研究所, https://kyoto.cseas.kyoto-u.ac.jp/
<u>Publisher_EN</u>	Required [1]	Name(s) of institution(s) that operate(s) the database system in English.	Format is not specified.	Center for Southeast Asian Studies Kyoto University, https://en.kyoto.cseas.kyoto-u.ac.jp/
<u>Publisher_Abbr</u>	Optional [0, 1]	Name(s) of institution(s) that operate(s) the database system in other language.	Format is not specified.	CSEAS
<u>Publisher_Related</u>	Optional [0 ...]	Related institutes of the publisher	e.g., upper organizations	京都大学, Kyoto University, http://www.kyoto-u.ac.jp
<u>Subject</u>	Required [1 ...]	Appropriate subjects about the database.	LCSH or DDC? URI or words?	http://id.loc.gov/authorities/subjects/sh85090214
<u>Keywords</u>	Optional [0 ...]	Subjective Keyword	If the Subject uses URIs, Keywords might be their words? Languages should be original and English. Format is not specified.	natural disasters, 自然災害
<u>Description</u>	Required [1]	Abstract about the database.	A description may include information about creators, publisher, resources, coverage, purposes of creating database, and history of development etc.	京都大学東南アジア研究所がタイ国で収集した映像コレクション。ラーマ7世博物館所蔵の王室記録映画をふくむVCD、DVD化された劇場用公開映画、民俗芸能、ドキュメント、仏教僧による説法などのタイトルおよび映画ポスターと関連書籍の情報が収録されている。時代は1925年から現代までをカバーしている。
<u>Description_EN</u>	Required [1]	Abstract about the database in English.	Format is not specified.	A Thai database on the titles of the collection of the movie collection collected by CSEAS, Kyoto University. The database contains VCD and DVD of public movies including Rama VII collection, folk performing arts, documentation, Buddhist priest's explanations, posters and related books. The era covers from 1925 to the present age.
<u>Description_Other</u>	Optional [0,1]	Abstract about the database in other language.	See Title_Other. Format is not specified.	
<u>Data_Issued</u>	Optional [0,1]	Date of issued.	yyyy-mm-dd	
<u>Date_Modified</u>	Optional [0,1]	Date of last modified.	yyyy-mm-dd	
<u>Contents_Type</u>	Required [1 ...]	Contents Type.	DC Type: http://dublincore.org/documents/dcmi-terms/#section-7 Collection, Dataset, Event, Image, InteractiveResource, Service, Software, Sound, Text, PhysicalObject, StillImage, MovingImage	text
<u>Contents_Format</u>	Optional [0 ...]	Contents Data Type.	MIME Type	text/plain
<u>Contents_Language</u>	Optional [0 ...]	If Contents_Format is text, language code should be added.	ISO 639-3	jpn
<u>Coverage_Spatial</u>	Optional [0 ...]	Spatial information about the database.	Format is not specified. Should be REQUIRED ? (In this case, "NOT SPCIFIED" should be used when there are noit appropriate values.)	East Asia
<u>Coverage_Tempral</u>	Optional [0 ...]	Temporal information about the database.	Format is not specified. Should be REQUIRED ? (In this case, "NOT SPCIFIED" should be used when there are noit appropriate values.)	ca. 16C
<u>Database_Access_URI</u>	Required [1]	Database URI	URI	http://app.cias.kyoto-u.ac.jp/infolib/meta_pub/G0000003THAI
<u>Metadata_Schema</u>	Optional [0 ...]	Meta Data Definition (schema)	Schema definition(s) may be organized in a different file(s) than the metadata itself.	http://www.cias.kyoto-u.ac.jp/G0000003THAI/Meta
<u>Source</u>	Optional [0 ...]	Resource Names from which the database is created.	Format is not specified.	
<u>Source_EN</u>	Optional [0 ...]	Resource Names in English	Format is not specified.	
<u>Maintenace_Group</u>	Optional	Name(s) of database maintenance	Format is not specified (URI or e-mail address). In this project, this may be the same as Publiher?	
<u>Copy Right</u>	Required [1]	Accessibility to the contents	CC-BY etc.	
<u>Contact</u>	Optional [0, 1]	Contact information for questions etc.	Format is not specified (URI or e-mail address). In this project, this may be the same as Creator?	
<u>Comment</u>	Optional [0, 1]	Additional description	Format is not specified.	

	Information about a database
	Information about contents of the database
